**Formation is for active mentors** who have completed two mentor training events and have been certified for formation at their last training **See new mentor guidelines on the reverse side of this sheet!**

**The formation topic will be Common Lessons,** To examine in depth the Common Lessons used in EfM, with particular attention to Lessons 3, 4, and 5. The event is designed to familiarize mentors with these lessons, demonstrate the centrality of the Common Lessons to the program, and increase the comfort of mentors in leading these lessons.

**Please register early,** as space is limited and fills quickly. Please note on your registration form if you have, or need the red CSLM (Common Lessons and Supporting Materials) and/or a Mentor's Manual.
