

REPORT OF THE COMMITTEE ON INCORPORATION

The Committee on Incorporation is a committee of an equal number of clerical and lay members, appointed by the Bishop, whose mission is to review and certify proposed articles of incorporation submitted by a new parish desiring to be admitted into union with the Convention. We seek to be a resource for parishes in matters relating to formation and structure, in accordance with the Constitution and Canons of the Diocese of Pennsylvania and the Episcopal Church of the United States of America.

Since the last Convention, we have begun work with two parishes who will be seeking union with this Convention in 2010, and we have begun work to assist six other parishes in amending their articles of incorporation and bylaws to update their status in the Diocese as to name, location, and/or parish structure. That work will continue. We have no new business to bring before this Convention at this time.

Respectfully submitted,
The Reverend Lucy S.L. Amerman, Chair
