

Episcopal Church Women – Diocese of Pennsylvania
St. John the Evangelist
1332 South Third St.
Philadelphia, PA 19147

2009

The ECW has remained active throughout the year. Nine meetings were held covering activities in the parishes, the Province III and Nationally. United Thank Offering Ingatherings were held in both the spring and fall.

Four delegates represented the Diocese at the ECW Triennial in Anaheim, CA. All four returned full of enthusiasm for our expansion and program.

The ECW endowments were disbursed to the customary beneficiaries in Domestic and Foreign Missions. The Coatesville Disaster Relief Fund was also included. We also supported the Triennial effort to raise \$110,000- for the Jericho Road Housing initiative which has built 23 new homes, and reclaimed a contaminated city block for a park in New Orleans.

We are now looking forward to the year ahead.

Respectfully submitted,
Nancy Ritter, member of the ECW
Steering Committee
