1. What motivated you to seek nomination for this committee?	My strong compassion for inclusion. My personal mission reads: "to encourage, enlighten and inspire, with humor and compassion, all whom I meet... especially children, the elderly, and persons with disabilities... to be responsible to each other so that they will know their value as children of God."
2. If nominated, what added value would you bring to the Diocese in moving the committee forward with God's work?	My alertness and my capacity for understanding all points of view, and my healthy attitude about justice for everyone! My personal life experience equips me for this.
