1. What motivated you to seek nomination for this committee?	I am a lawyer as well as a priest and believe that my legal skills would be useful on the Court, even though it is ecclesiastical law which applies. Additionally, as a result of my appointment by the Bishop as an advocate (spiritual support) for a priest against whom charges were brought, I have some familiarity with the underlying process.
2. If nominated, what added value would you bring to the Diocese in moving the committee forward with God's work?	In addition to my familiarity with legal and ecclesiastical process, I am accutely aware that we are operating as a court in a Christian context, in which we are called to love each other. I believe we need to hold each other accountable for our behavior with humility, love and mutual respect, always knowing that we each have much to learn.
3. Please list relevant experience.	See above. I have many years' experience as a lawyer involved in trial and appellate process.
