1. What motivated you to seek nomination for this committee?

First, my rector asked me to serve.

Second, I would like to serve the larger Church.

I have been a member of the Episcopal Church for many years. I have lived in different parts of our country and therefore have experienced life in several Dioceses. I have served in many capacities at the parish level. I am knowledgeable about the workings of both parishes and dioceses.

I believe the local parishes should take a positive and active role in the work of our Diocese. At this juncture in the life of this Diocese, we are in a unique position to take a fresh and creative look at all areas of our life together. I believe this is an exciting time and I would like to contribute to the new future.

2. If nominated, what added value would you bring to the Diocese in moving the committee forward with God's work?

I am a clergy spouse, so I understand the pressures and pleasures of rectory life. In addition, my husband and I had intimate experience with diocesan administration during his years as a member of the staff in the Diocese of Southern Ohio. We could see up close the impact the diocese had on the lives of clergy families. It is crucial for the morale of clergy that the diocesan staff and committee members be sensitive to needs of its clergy families.

3. Please list relevant experience.

I am a beneficiary of the Churches' salary and pension policies and standards. I have some knowledge about how the system works.

In my career I managed projects and teams of highly skilled professionals. I participated in reviews of both projects and the team members. I evaluated teams as a whole and individual member's performance. I made recommendation for both technical and social skills training.
