1. What motivated you to seek nomination for this committee?

I have served on several commissions, special projects (including capital campaigns), as well as the vestry at my parish. Recently, I completed a four year vestry term which included a year as Junior Warden and two years as Rector's Warden. Concurrently, I was the vestry representative to the Finance Commission for the Parish. In this role, I became very familiar with the financial and spiritual needs of the parish, and the interface and needs at the Diocesan level. I believe that I can bring the parish perspective to the Diocese and leverage what I have learned about Stewardship and encouraging generosity to a broader base of Christians. At the same time, I hope to be able to help other parishes, if requested, in addressing property and financial challenges.

2. If nominated, what added value would you bring to the Diocese in moving the committee forward with God's work?

As an active Episcopalian with over 25 years of Corporate experience in both large and small organizations, and parishes of different sizes and locations, I am able to bring a variety of perspectives to our Diocese. Spiritually, I have grown immensely during my adult life. While at St. David's, I have witnessed firsthand God's work in several significant ways. For over 7 years I have worked with our youth in serving food at St. Augustine of Hippo in Norristown. During this time, the group has been growing with more adults getting involved in the expansion of our role. Also, I was fortunate to travel to Uganda to see the work that is underway in Kampala and Mpigi. Travelling with several other members of our church, I worked with two different organizations in helping build a church, and improving the school that St. David's has partnered with for 20 years.

3. Please list relevant experience.

With undergraduate and graduate degrees in Business, I enjoyed a successful career in Human Resources during the first 20 years of my adult life. More recently, I have utilized my skills by working in Management Consulting. Currently, I assist senior executives lead organizations through business challenges and complex change. My sacred and secular paths have become connected, and through my business and parish assignments I bring unique knowledge/background from a variety of businesses and churches. I look forward to using the gifts that I have been blessed with to serve God through involvement and contribution at the Diocesan level.
