1. What motivated you to seek nomination for this committee?	After praying earnestly to God as to how best help out our Diocese, I was referred to help this committee by a few priests to better help out the diocese parishes. It was an answer to prayers as to the real impact that its ministry does to each parish in the diocese.
2. If nominated, what added value would you bring to the Diocese in moving the committee forward with God's work?	I am a no nonsense straight shooter with sometimes pointed questions, but always with scriptural soundness to my decisions. God has called me to a parish who is normal with real issues, and I bring these to this committee, real needs in real time always with the belief that if we are doing what God wants, He will bless it.
3. Please list relevant experience.	With 23 years in the Marine Corps, each and every year I was part of the planning of the fiscal budget of each unit I was stationed with. Also as a Gunnery Sergeant, Daily I was looking out for the welfare and moral of each and every one of my Marines.
