Steering Committee**

Annual Report 2010

The ECW has remained active throughout the year. Six meetings were held. Members represented the ECW at the Province III meetings in Martinsburg, WV in the spring and in the fall. Sonya Furlow accepted the job of Province III secretary.

The ECW endowment funds were dispersed to the customary beneficiaries and to local churches for programs with youth and elderly, such as Vacation Bible School, computer classes, and summer "camp" programs.

The spring United Thank Offering Ingathering was held at Seamen's Church Institute, Bishop Rodney Michel presiding.

The Committee is formulating an application form for funding of local programs.

It has been a busy year for the Committee.
