Parish-to-Parish Weekly News

Body text of the mailing *

Attached please find a copy of this week's Parish-to-Parish weekly news-blurb. It is intended to be a simple way of communicating to everyone on our e-mail list what is happening in the local parishes. If you want to submit an article in the weeks to come, it should be sent to J.D. Lafrance here at Church House (jdlafrence@diopa.org) by Wednesday morning for distribution on Thursday. Articles must be kept to 75 words. We will include activities and programs happening in parishes, job openings, and items parishes may wish to share or sell. You may continue to submit articles, flyers, etc. to the website as has been done previously. This is an additional form of communication that will hopefully get this specific information in front of more folks who might be interested. Please feel free to duplicate copies for those who are not receiving it on e-mail.
