AN IMPORTANT REMINDER ABOUT YOUR HEALTH BENEFITS

Please complete your Open Enrollment by end of business this Friday 11/18 so we don't have to call you next week with a reminder.

Open Enrollment for your 2012 Health and Welfare Benefits for active clergy and lay employees comes to a close at 8:00 PM on Wednesday, November 23rd. If you have not completed the open enrollment process before it closes, you will not have Health Benefits for 2012!

Notable exception: Retired clergy on Medicare do not need to do anything to maintain their current benefits.

If you have questions about your benefit choices or the open enrollment process, or need your user ID or password, please call the Episcopal Church Medical Trust (ECMT) Client Engagement Center at 800-480-9967 between 8:30AM and 8:00PM Eastern Time Monday through Friday. They will be happy to help you complete the process.

Visit the mydiopabenefits.org website for more information. If you have problems or concerns that cannot be addressed by the Client Engagement Center, please contact Marc Andonian at marc_andonian@yahoo.com or 610-569-4200 for assistance.

Clergy and Wardens, please forward this message to appropriate lay employees in your church to ensure they have the information and complete a timely enrollment.

It is critical that you complete the Open Enrollment before the deadline in order to ensure your continued coverage. Please be sure to have it submitted by Friday if at all possible.
