**Title of the mailing \*** Pledge Reminder

**Body text of the mailing \*** November 28, 2011

Dear Clergy and Vestries:

We respectfully remind both clergy and vestries of the need to return the 2012 Pledge form to Church House. Our Canon 7.3.3 calls for these forms to be returned by December 15th and we would appreciate your responses by then. We realize that some parishes have not yet had their vestry meetings to deal with this issue, so in those cases, please schedule this topic on your agenda and advise us as soon as you can. The pledge forms should come to the Finance Office at Church House.

Rob Rogers,  
Canon for Financial Administration
