

The Peace of Christ be with you all this Easter season, Alleluia!

We plan to continue the wonderful tradition of our diocesan summer camp for our youth and children this year. Attached to this email you will find the application materials (or information flyer) in pdf format. Please print these materials for families in your parish who may be interested in having their children come to camp. This year we will have 5 week long sessions, 2 junior weeks (age 7-11) and 3 senior weeks (age 11-15). All the sessions will be similar in program content and each of them will again be held at our camp property in North East MD.

We will make scholarships available for all who may need one so please encourage any family to apply who is interested. This is and has been a very valuable ministry of our diocese for many years which helps to bring God's kingdom more fully to this world in many ways and I will make sure that no child will be turned away because they cannot afford the camp fee. We also have openings for counselors in training (age 15+), and counselors. Please tell anyone interested in those ministries to call me for more information and an application.

Please consider a donation to our scholarship fund if you are able. My experience has shown me that the presence of God profoundly blesses campers, counselors and staff alike in this ministry whose positive effect reaches well beyond those of us physically at the camp.

God's Peace,
John+
